

CP 236

CIRCULAR SAW

STAYER

PROFESSIONAL QUALITY

Product advantages

- Die-cast aluminium structure, stronger and lighter
- Powerful
- Large cutting capacity
- Particularly indicated for cutting panels
- Variable cutting depth stop
- Adjustment of the cutting angle from 0 to 45°
- Shaft lock
- Inner diameter of the disc of 25.4 mm

Standard equipment

- TCT blade Z-24
- Coupling for dust extraction (connect an external vacuum cleaner)
- Service key
- Lateral guide

Features

Power input	W	2000
No load speed	min ⁻¹	4500
TCT Blade	mm	∅ 235 x 2.6 x 25.4 Z-24
Slanted cut	°	0-45
Cutting depth at 90°	mm	85
Cutting depth at 45°	mm	58
Weight	kg	7.2
